

The screenshot displays the Virtual DJ software interface. At the top, the system tray shows the time as 09:26:30 and various system icons. The main interface is divided into four decks (1-4) and a central mixer section. Deck 1 plays 'Chica Bomb' by Dan Balan at 128.00 BPM. Deck 2 plays 'It's The Way You Love Me (Feat. ...)' by David Guetta at 128.00 BPM. Deck 3 plays 'Alors On Danse' by Stromae at 120.19 BPM. Deck 4 plays 'Bad Romance' by Lady Gaga at 119.00 BPM. The mixer section includes gain, volume, and filter controls for each deck. The bottom section features a file browser with a search bar and a list of tracks. The track list includes:

Title	Artist	Bpm	Length
